IMPRISONMENT

The defendant is hereby committed to the custody of the United States Bureau of Prisons to be imprisoned for the remainder of his Natural Life.

This term of imprisonment consists of a LIFETIME TERM on each of Counts 1, 2, 3, 4, 5, 6, 7, and 8 to run concurrently with each other.

The Court makes the following recommendations to the Bureau of Prisons:

1. The Court does not make any recommendation regarding the facility to which defendant should be designated, but calls to the attention of the Bureau of Prisons defense counsel's argument as it pertains to where defendant should be designated (See Dkts. 295, 296, 301). Specifically, defense counsel emphasizes defendant's agreement to meet with the government and the victims' families as well as his compliance with directives at the Alexandria Adult Detention Center and lack of disciplinary write ups there. Defense counsel suggest that given defendant's acceptance of responsibility and behavior while in custody it is unnecessary and inappropriate to designate defendant to the administrative maximum facility in Florence, Colorado and urges the Bureau of Prisons to designate defendant to a communications management unit where he will not be subject to continuous solitary confinement. But in the end, the Court declines to make a recommendation because the decision as to where defendant begins to serve his sentence appropriately rests with the Bureau of Prisons which has more complete information and experiencing designation.
2. That defendant remain in custody at the Alexandria Adult Detention Center until July 5, 2022 so that defendant may fulfill his obligations under his plea agreement to meet with the government and the victims' families.

The Court makes the following recommendations to the Bureau of Prisons:

- ☒ The defendant is remanded to the custody of the United States Marshal.
